FAMILY NAVIGATOR

YOUR GUIDE TO SERVICES AT THE PLACE

The Place

for Children with Autism

Finding the right support for your child can feel overwhelming. This Family Navigator provides a helpful overview of The Place, our services, and the support available to help your child thrive.

You don't have to navigate this journey alone. We're here to guide and support your family every step of the way.

WHY FAMILIES CHOOSE THE PLACE:

Personalized Clinical Recommendations

No two children are alike. Every recommendation is tailored to your child's unique strengths, needs, goals, and developmental journey.

School-Like Learning Environment

Children learn through play, structured routines, peer interactions, and meaningful experiences that help prepare them for success at home, in school, and in the community.

Support Beyond ABA Therapy

From autism evaluations and speech therapy to after school programming, we help families access the services that make sense for their child's journey.

Guidance for the Whole Family

Whether you're navigating a new diagnosis, beginning services, or celebrating progress milestones, our team is here to provide answers, support, and a clear path forward.

OUR MISSION AND VALUES

To provide high-quality, child-centered care in a caring, school-like environment where children can learn, grow, and thrive.

THE PLACE DIFFERENCE

Personalized, High-Quality Care
We provide individualized, evidence-based care guided by compassion, expertise, and a commitment to meaningful progress.

Learning Through Play and Connection
Children build skills through play, friendships, structured routines, and meaningful experiences in our school-like environment.

Family Partnership
We equip caregivers with guidance, communication, and resources to support progress at home and beyond.

Committed to Excellence
Our team is committed to continuous learning, clinical excellence, and helping every child reach their fullest potential.

OUR SERVICES

ABA Therapy
Individualized, play-based therapy that helps children build the skills needed to communicate, learn, connect, and thrive.

After School ABA
Structured after-school support that helps children strengthen social, communication, behavioral, and independence skills while continuing to build on what they're learning at school.

Autism Evaluations & Re-Evaluations
A supportive, family-centered experience designed to provide answers, guidance, and next steps tailored to your child's needs.

Speech Therapy
Speech and language evaluations and therapy that help children strengthen communication skills and build confidence.

HOW WE SUPPORT CHILDREN AND FAMILIES

Every child's goals are unique, but many families come to us seeking support with:

- Helping their child communicate wants, needs, and feelings more effectively.
- Building the skills needed for success in school and learning environments
- Making friends, participating in groups, and connecting with others.
- Gaining confidence and independence in everyday routines.
- Managing transitions, changes, and big emotions more successfully.
- Creating more positive and meaningful experiences at home, in the community, and with family

YOUR CHILD'S DAY AT THE PLACE

Every child receives an individualized recommendation based on their strengths, goals, and developmental needs.

While no two schedules look exactly alike, children spend their day learning through play, building skills, connecting with peers, and working toward meaningful goals with support from our clinical team.

WHAT CHILDREN MAY EXPERIENCE DURING THEIR DAY

Building Communication

Helping children express their wants, needs, and ideas with greater confidence.

Making Connections

Building friendships and learning how to engage with others.

Learning Through Play

Developing skills through engaging, child-centered experiences.

Building Independence

Building confidence with everyday routines and daily life skills.

Personalized Goals

Individualized support designed around each child's unique strengths and needs.

Movement & Exploration

Opportunities for active play, sensory learning, and exploration.

HOW WE GET TO KNOW YOUR CHILD

UNDERSTAND YOUR CHILD

WE TAKE TIME TO UNDERSTAND YOUR CHILD'S STRENGTHS, INTERESTS, COMMUNICATION STYLE, AND DEVELOPMENTAL NEEDS SO WE CAN RECOMMEND THE RIGHT LEVEL OF SUPPORT.

OBSERVE THROUGH PLAY

- THROUGH PLAY-BASED ACTIVITIES AND INTERACTIONS, OUR TEAM LEARNS HOW YOUR CHILD COMMUNICATES, CONNECTS, EXPLORES, AND LEARNS IN A COMFORTABLE ENVIRONMENT.

PERSONALIZE THE PLAN

- WE COMBINE WHAT WE LEARN DURING THE ASSESSMENT WITH YOUR FAMILY'S GOALS, PRIORITIES, AND INPUT TO CREATE INDIVIDUALIZED RECOMMENDATIONS AND GOALS DESIGNED FOR YOUR CHILD.
